

**Adolfo Valdés
(Wally)
1911-2004**

Founding Partner

Friend, Colleague, Mentor

Wally was an exemplary professional. For those of us who worked with him our memory of him will always be that of a just, human and sincere man – above all, wise. His edifying example will remain with all those who knew him. He was diplomatic, kind and gentle, a conciliator. Always elegant and proper, Wally will continue being an inspiration for all those who had the privilege of knowing him.

In spite of his loss, we celebrate his humanity and zest for life. A great raconteur and storyteller, Wally truly enjoyed life. By example, he taught us the importance of keeping a sense of humor, of actively participating in the lives of our colleagues, friends and family.

His dedication, commitment and vision contributed greatly McConnell Valdés's growth and prestige, even as they contributed to the development of Puerto Rico. We will always remember his unparalleled contribution to our profession; we are honored to have been his colleagues.

We extend our deepest sympathy to his widow, Georgie Blanes, his children Mari Georgie and Adolfo, his grandchildren and entire family.

Puerto Rico has lost a great man. May he rest in peace.
