 - the filing is accompanied by a statement that the delay in filing or payment was due to the COVID-19 outbreak
A delay is considered due to the COVID-19 outbreak “if a practitioner, applicant, registrant, or other person associated with the filing or fee was personally affected by the COVID-19 outbreak, including, without limitation,

through office closures, cash flow interruptions, inaccessibility of files or other materials, travel delays, personal or family illness, or similar circumstances, such that the outbreak materially interfered with timely filing or payment.” The USPTO continues to waive the petition fee to revive abandoned applications or reinstate canceled/expired registrations that were canceled/expired due to an inability to timely respond to a Trademark-related Office communication as a result of the effects of the COVID-19 outbreak. The USPTO continues evaluating the situation around COVID-19 and its impact on the USPTO’s operations and stakeholders. If the USPTO extends the CARES Act relief, it will provide timely notice. We will alert you as soon as any announcements are made.
