

Join the Market Leader

Finding bright, dedicated and talented individuals to join our team is one of our top priorities. Our extraordinary track record in employee retention reflects both our highly selective approach to recruitment, as well as our collaborative firm culture that supports and rewards achievement.

We seek individuals who share our philosophy and who will contribute to the diversity, energy and intellectual capability of the firm. We look for evidence of strong academic credentials and excellent writing skills as exemplified by prior work experience, law review or law journal editorships, clerkships and other talents and accomplishments.

Ideal candidates will want both a sophisticated law practice and quality time to pursue their personal interests. In return for your hard work and dedication to servicing our clients, we offer a unique practice in a friendly environment where you will know all your colleagues and work closely with attorneys of all levels.

At McConnell Valdés you can look forward to a rewarding practice where enthusiasm, professionalism and legal acumen are truly respected and appreciated.
