An McV Government Affairs Alert

December 8, 2020

On December 3, 2020, Governor Wanda Vázquez-Garced signed Executive Order 2020-087 (“EO 2020-087” or the “Executive Order”) to, among other matters, repeal Executive Order 2020-080, order a shelter-in-place for Sundays and implement other more restrictive measures to curb the spread of COVID-19 in Puerto Rico.

In addition, EO 2020-087, which is effective from December 7th until January 7th, 2021, unless otherwise extended or modified, reintroduces certain restrictions by considering the recommendations of the Puerto Rico Economic and Medical Task Forces and the guidelines set forth in the United States Department of National Security’s Guidance on the Essential Critical Infrastructure Workforce: Ensuring Community and National Resilience in COVID-19 Response.

For your convenience, in this Alert we will highlight the major modifications and amendments in this new Executive Order. We will refer to our previous Alerts as needed.

Change in Curfew and Shelter-in-Place Order for Sundays (Section 1 of the Executive Order)

EO 2020-087 imposes a curfew **from 9:00pm until 5:00am**, which will continue in effect until January 7th, 2021. EO 2020-087 also orders a **mandatory “Shelter-In-Place” order** requiring all persons to remain in their residence or place of lodging every Sunday during the effectiveness of the Executive Order.

Prohibition of Retail Sale of Alcohol for Weekends (Section 4 of the Executive Order)

The Executive Order also issues a weekend-long prohibition, effective from 5:00am on Saturdays until 5:00am on Mondays, on the retail sale and consumption of alcoholic beverages for all authorized businesses and establishments during the effectiveness of the Executive Order.

Authorized Private Businesses and Exceptions (Section 7 of the Executive Order)

■ Food Businesses

Pursuant to Section 7 of EO 2020-087, restaurants may keep their dining rooms open Monday through Saturday until curfew, at or below 30% of their maximum capacity, as defined in PR Building Code 2018. Under no circumstance will people be allowed to crowd outside of a restaurant consuming alcoholic beverages.

Restaurant dining rooms must remain closed on Sundays, and operations must be limited to drive-thru, carry-out, or delivery retail food services. The Executive Order provides that, in order to incentivize delivery services, delivery food services may operate Monday through Sunday until 11:00pm.

Grocery stores may also operate Monday through Sunday from 5:00am until 8:30pm.

■ Pharmacies

Pharmacy stores may remain open to the public Monday through Sunday from 5:00am until 8:30pm. However, the Executive Order exempts pharmacy areas located within stores from complying with the hours under curfew in order to continue dispensing medication.

■ Gas Stations and Supply Chain

Gas stations and their supply chain may continue to operate Monday through Sunday from 5:00am until 8:30pm during the effectiveness of the Executive Order.

■ Other Businesses

The following businesses may continue operating Monday through Saturday until 8:30pm at or below 30% of their maximum capacity, where applicable, as defined in PR Building Code 2018.
